

New SSAS Proforma

In order to prepare the necessary documentation to establish a Small Self Administered Scheme (SSAS) and submit to HMRC for registration, the data requested on this form is required. Each member will be a Trustee of the SSAS and will act with Denton & Co Trustees Limited as the Scheme Administrator.

All members will need to satisfy the HMRC test that they are a 'fit and proper person'. Further details are outlined on page 4.

Please note: completion and submission of this form to Dentons Pension Management Limited (Dentons) will result in Dentons producing scheme establishment documents and a fee will be charged irrespective of whether the scheme is fully established or not.

Fit and proper person test

The 'fit and proper person' legislation is intended to make it harder for sham arrangements and pension schemes to be set up, and for tax avoiders and fraudsters to set up and run registered pension schemes with a view to misusing the tax relieved funds and abusing pension tax reliefs.

The 'fit and proper person' test aims to ensure that scheme administrators of registered pension schemes do not present a risk to members' tax relieved funds or the scheme's tax position. The scheme administrator is likely to be considered a 'fit and proper person' if they are familiar with, and capable of competently performing, the scheme administrator's responsibilities and there is nothing in their past behaviour to suggest that they should not be responsible for the financial management of the pension scheme.

Each member of the SSAS will be a trustee and share the role of scheme administrator with Denton & Co Trustees Limited. Each member will be required to sign at the application stage to state they satisfy the 'fit and proper person' test. They will be required to have read and understood the following guidance criteria on fit and proper persons:
